Dear Incoming Freshmen Girls Basketball Parents,

Welcome to the Lady Knights! We are so excited to welcome you to our Foothill High School Girls Basketball Program. If this is your first year participating in a high school sport, you probably have many questions and want to find out all the details.

You are in good company! The Girls Basketball program here at Foothill high school has a very strong booster organization. We are an "all volunteer" group and each of us takes a roll in making sure the program is strong. Your time and talents are needed (and required) Our girls work hard and we support a year-round program with spring conditioning (going on now), a summer camp season that runs from June 21-July 27th, a fall pre-season conditioning, followed by a December tournament season and our league season that starts in January 2011. This year, we have moved to the Century League, so it is sure to be exciting as we play new teams including Canyon and Brea!

So what do you need to do? **First**, please **email me** (jhirz@cox.net) your emails(s) and cell phone numbers for parent(s) so I can update our data base. We do EVERYTHING by email and post on our web site. (I have your home phone numbers and street address) **Secondly**, please plan on attending our first booster meeting on **Thursday, June 3rd at 5:30pm at Vince Namba's room (120)**. This is a mandatory meeting! Please have one parent per player attend. The meeting will start promptly at 5:45 pm, but we would like all freshmen parents to arrive at 5:30 pm to confirm data and answer a few questions. In particular, we will be going over the required booster fees, summer fees and schedules. Lastly, we have a fundraiser on **Sunday, June 6th** at the Chili Cook Off in Old Town Tustin and you are welcome to jump in and help or come by and see our booth!

Thanks so much for your support and all the best to you as you prepare for 8th grade graduation. The Foothill high school family is a great place and I know your daughter will enjoy her basketball experience! In the meantime, please go on our website for additional information at www.foothillbasketball.com

All the best,

Julie Hirz
